During Uncertain Times, Divine Savior Academy Was Still Present for the Class of 2020

Divine Savior Academy’s Philosophy of Education says, “We believe our mission has an eternal impact and that education can change the world. Because we believe this, we strive to give our children excellence in all we do.”

This value of excellence makes the teachers and staff of Divine Savior Academy unique. It is why their PreK-12th grade students and their parents felt supported this past spring...right down to graduation day. To commemorate their accomplishments, the senior class was also honored with a parade, virtual yearbook, home care packages, a virtual senior breakfast, and a full drive-in graduation ceremony. It couldn’t have been a more memorable send-off, even in uncertain times.

DSA’s class of 2020 is headed to schools such as:
Yale, Baylor, University of Miami, Loyola University Chicago, and more.
