

# SOAR HIGHER

**MCDONOUGH  
FUND**

McDonogh provides students with the very best education so they will soar—inside and outside the classroom, on campus and beyond. Through innovative curriculum and unique opportunities, our outstanding faculty teach essential skills and encourage students to expand their knowledge, realize their talents, and find joy.

Gifts to the McDonogh Fund provide the necessary resources to elevate every Eagle's educational experience so they will soar higher.

“As English teachers, part of what we do is to help students develop their voice and ability to communicate.”

—BRIDGET COLLINS '90,  
DIRECTOR OF GREATEST GOOD MCDONOGH

“Student-athletes of all ages learn responsibility, accountability, and commitment which translate to effective team leadership.”

—MICKEY DEEGAN, CO-ATHLETIC DIRECTOR
