

Blaze
brighter

Ursuline
girls stand
up and
stand out.
We were
born to
blaze our
own trails.

Maci
PRE-K

Wants to be
a veterinarian.
Or open a hair
salon with her
best friend.

Julia
KINDERGARTEN

Wants to be a nurse. But likes writing stories about witches and ghosts.

Aubrey
KINDERGARTEN

Took her love of math to the moon in her guided drawings assignment: "If I landed on the moon."

Adelaide
KINDERGARTEN

Feels proud of the all-red self-portrait she made for her grade's rainbow of selfies.

Sara
KINDERGARTEN

Wants to be a kind, honest person—and a rock star.

What trail
will your
girl blaze?
